photographic art

Is proud to announce the showing of  
**Pacific Northwest Scenic Photography**  
the entire month of June at the  
**Sandy Area Chamber of Commerce**  
in Sandy Oregon.

Please plan to attend the  
**Artist's Reception**  
June 4th from 5pm - 9pm

Brightwood Resident Gary Randall is quickly becoming known within photographic circles for his scenic landscape photography. The appeal of Gary's work has gone beyond the region or even the nation, as he now has fans and followers on four continents. Many describe his work more as art than photography, using his photos to paint the perfect picture of the scene presented. Because of his many and varied scenes of Mount Hood, he is also becoming known as Mount Hood's Personal Photographer.
